MORE FROM JOYFUL BOWL SERIES

The Joyful Bowl started with a cookbook — created to help dogs struggling with allergies, sensitivities, and chronic issues tied to commercial food. But it's become a growing set of tools to help you feed with confidence, track progress, and simplify homemade meals.

To make the journey even easier, we're building a series of practical, thoughtful companions designed to support you long after the last recipe.

Homemade Healthy Dog Food Cookbook

120+ clean, easy, vet-approved recipes — plus a 30-day reset plan to soothe allergies, support digestion, and help your dog thrive naturally. Includes feeding charts, sample meal planner, pantry checklists and more.

Homemade Healthy Dog Food Journal: A 30-Day Reset Companion Guide

Track meals, symptoms, poop quality, energy, and more — perfect for dogs with allergies, sensitivities, or complex health histories. Includes space for vet notes, weight tracking, and monthly summaries.

Homemade Healthy Dog Food Meal Planner & Grocery List

Your kitchen sidekick for planning, shopping, and batching. Includes weekly templates, shopping lists, prep checklists, and freezer logs to keep you organized and reduce daily decision fatigue. Available in 12- and 24-week formats.

Homemade Healthy Dog Food Recipe Notebook

A blank cookbook for your own creations. Write down your dog's favorite meals, custom tweaks, and homemade treats — organized by protein, meal type, or occasion.

Puppy Health Records and Daily Care Log

The perfect companion for new puppy parents. Track potty breaks, meals, weight, vet visits, and early milestones, plus space for training goals and sweet "firsts." A practical and sentimental keepsake to support healthy routines from day one.

Whether you're just starting out or settling into a long-term homemade routine, these tools are here to help you stay on track, reduce overwhelm, and keep tails wagging.
