Welcome to Cozy Capybara Garden,

A peaceful little world of flowers, ponds, lanterns, cozy corners, and small capybara friends. Use your favorite pencils, markers, or pens, and place a spare sheet behind each page if needed. There are no rules here. Just relax, color slowly, and enjoy your quiet garden escape.

Protect the Next Page

Place a thicker sheet of paper behind the page you're coloring when using markers, pens, or watercolor.

If you're using pens or markers that might bleed through, just place a thicker sheet of paper underneath to protect the next page.
